We recommend 2 x 3ft beds when a 6ft bed is required.

**Sumptuous layer of Talalay latex**  
 Made from natural latex, Talalay has no artificial additives, it is a healthy and safe product which is friendly for the environment.

**Single layer of calico pocket springs**  
 1460\* natural Calico pocket springs, are hand-nested & hand-centre-tied. This centre-tied unit means minimal movement transfer for an undisturbed night's sleep.

**Firm edge support**  
 The outer layers of the spring unit are formed with firmer gauge springs for added border support.

**Layers of wool**  
 Wool is blended into a blanket like layer and used as a soft and insulating upholstery layer for added comfort.

**Lofty pillowtop**  
 Providing an extra comfort layer above the supportive mattress.

**Hand tufted with wool tufts**  
 Alongside providing the perfect finish to the mattress this traditional skill ensures all loose fillings are secured in place.

**2 Rows of side stitching**  
 Provides a more robust mattress border.

**Cooling technology**  
 The mattress cover enhances even further the excellent cooling & ventilated sleeping surface provided by the Talalay.

**Naturally hypoallergenic**  
 Kind to sensitive skin, latex retains its naturally anti-allergenic and anti-microbial properties from harvest to home. Oeko-Tex class I
