The beautifully contoured shape of the Barrett Riser Recliner is designed for exceptional comfort. The riser recliner features soft, stylish arms, welcoming fibre-filled back cushion and full-width 'chaise' seating.

Choose the HEAD TILT and/or LUMBAR ADJUSTMENT option for individual comfort and support.

The sophisticated **Dual Motor** mechanism enables you to control the backrest and footrest independently to reach the exact position you want including a near-horizontal full sleeping position (needs a 38cm (15") gap from the wall).

Designed with full powerlift facility to assist sufferers of arthritis, rheumatism, MS, poor circulation and many other mobility restrictions.

PERSONAL 5 YEAR GUARANTEE on all Recliner actions, frames, motors, handsets and all other electrical parts.

Supplied with castors for ease of movement. Front castors lift away to ensure stability in raised positions. Glides now available as an alternative to castors for solid flooring.
